

Instruction to Find a New Tenant for Office Building

On behalf of Joedan, GJS Dillon were instructed to find a new tenant for 21 Chestnut Court, Sambourne, Redditch.

GJS Dillon found a new tenant for the property, Apogee Limited. Apogee helps businesses recover their day to day costs through HMRC's R&D tax credit incentive.

The property was let on a new three year lease.

What our clients say

“ We've spent a year in our first office and gone on to upgrade. It feels great to be based in a building reflective of the quality and standards we have become known for!

Our new office provides us with an excellent environment to host our clients and partners, whilst giving us the space we need to grow. We'd like to thank GJS Dillon for helping us find our new 'home'.”
